If so, please describe including the budget allocations to implement these plans and objectives. Have these plans and objectives been cascaded to Senior Management and responsible officers and employees? If so, state how this was done. Yes, it has a clear guidance from the BOD and SM based on set objectives, plans and budget. Allocation and usage are cascaded to all responsible officers & employees. Regular reports actual budget used are done. All unplanned expenses are first approved by the Board of Trustees with corresponding Board Resolutions, before the actual expenditure.
- b. In relation to question no. 1, please describe the control policies and mechanisms (e.g. reportorial requirements, rewards and disciplinary system, training program, etc.) adopted by the BOD to attain these policies and objectives. All reports and daily transactions are reviewed by the senior management before the approval. NATCCO MBAI also maintains documents for references. The Internal Auditor also conduct post audit to check and validate if the transactions are allocated within the approved budget. Personnel assigned in the related transactions have attended AMLC training.
- c. Please describe the entity's framework for ML and TF prevention. What are the roles of the BOD, Senior Management, Compliance Office, Internal Audit and other Offices in ML and TF prevention? What reports are required to be submitted to the BOD to assist them in their decision-making processes? The Board of Trustees and officers are provided with the necessary trainings. The Compliance officer is responsible for effective implementation of the MTPP, specifically its ML and TF prevention. The officers and staff are sent to orientations, training and seminars being offered by the regulatory bodies. If there are AMLA transactions, BOD are copy furnished.
- d. Please describe the risk management system relative to ML and TF prevention. All possible risks are identified with its impact to the association. Risk management options and management actions are defined. All risks that can be associated with the ML and TF are monitored, mitigated, and controlled.
- e. Does the Compliance Office/Officer report directly to the BOD? If not, to whom does the Compliance office/officer report? How frequent is this done? Yes. The Compliance Officer reports directly to the BOD, and issues/concerns are reported immediately.

- f. Please describe the authorities delegated by the BOD to the Compliance Office and the AML and CTF Compliance Officer related to ML and TF prevention. The Compliance Officer oversees all compliance related reports and transactions. Since the CO also has the capacity to directly see the operations, possible ML and TF transactions can be immediately addressed and reported.
- g. What other relevant oversight does the BOD and Senior Management exercise to ensure attainment of the entity's plans and objectives relative to ML and TF prevention? The BOD shall be ultimately responsible in ensuring that the ICRE strictly comply with the requirements under the AMLA, as amended. The Senior Management shall oversee the day to-day management of the ICREs, ensure effective implementation of AML/CTF policies approved by the board and alignment of activities with the strategic objectives, risk profile and corporate values set by the board. Senior Management established and culture that promotes accountability and transparency, and upholds checks and balances.

2. Identification, Measurement, Monitoring and Controlling of Risks and Problems Related to ML And TF

 - iv. Can generate all the CT Rs of the ICREs accurately and completely with all the mandatory field properly filled up;
 - v. Must provide a complete audit trail;
 - vi. Capable of aggregating activities of a customer with multiple accounts on a consolidated basis for monitoring and reporting purposes; and
 - vii. Has the capability to record all STS and support the investigation of alerts generated by the system and brought to the attention of senior management whether or not a report was filed with the AMLC.
- b. If no, please describe how you manually perform the functionalities mentioned above. Monitoring in banking day where the total amount involved is in excess of P500, 000.00, the threshold limit provided under Section 3 (b) of R.A. 9160, as amended by RA 9194.
- c. Do you pay special attention to unusual transactions? What type of special measures do you implement in managing them? We do not have unusual transactions.
- d. Are you required to report to the AMLC a suspicious transaction report (STR) when you suspect or have reasonable grounds to suspect that funds are the proceeds of a criminal activity? Please describe the scope of the obligation, the decision process and the decision maker within the entity (whether or not to file an STR). Yes, we required to submit report once we have a suspicious transaction, it requires three signatories from NATCCO MBI to wit: the staff or officer who entertained or secured the account; the Compliance Officer & a senior officer not less than the position of the Vice-President. For online reporting thru electronic mail it's the sole responsibility of the Compliance Officer to keep the report confidential and safe from public exposure.

- e. Does the obligation to make an STR also apply when you suspect or have reasonable grounds to suspect that funds are related to terrorism? If yes please describe the scope of this obligation, the decision process and the decision maker within the entity. As provided in Section 3 (b-1) of the Act, NATCCO MBI shall file a Suspicious Transaction Report (STR) (Annex "B") before the Anti-Money Laundering Council, regardless of the amount of the transaction. A suspicious transaction, as a general principle, relates to any transaction wherein there is a sense of apprehension or sense of mistrust considering the unusual nature or circumstances of the transaction and the behavioral factors on the persons with whom the transaction is being dealt with and thereby bringing some suspicion that the transaction may be connected with an unlawful activity
- f. Other than the 6 specified circumstances for filing an STR, what other instances do you report an STR or an alert has been tagged using the last Item- any transaction that is similar or analogous to any of the foregoing, i.e. tax evasion, malversation of public funds, bribery, etc.? No STR report yet.
- g. What is the legal protection against potential liability available to your officers and/or staff who report their suspicion in accordance with the legal obligation to report? There is no internal policy yet, but to ensure that the employees or officers are safe and protected, all data are confidential.
- h. Does the Compliance Office keep annual statistics on red flags systems alerts, ML investigations, CT reports, ST reports broken down as to the nature? Please provide copies of the statistics. Since our annual premium, is way below the considered AMLA transactions, no red flag systems alert yet
- i. Does the Compliance Office keep track dispositions of red flag systems alerts? Please provide copies of the tracking report. No red flag systems alert yet, but if there will be a case, it will be handles by the Quezon City head office
- j. Do you prohibit your officers and staff from disclosing ("tipping off") to any person the fact that an STR, CTR or related information is being reported or provided to the AMLC? No.
